Got Your Button?

Referring patients to our practice is quick and easy with the Smart Button

We've created an online referral form that you can complete, attach patient files, and securely send to our office through our website. To make the process quick and easy, we want to give you a free Smart Button like the one below. The Smart Button attaches to your computer, launches your web browser, and takes you to our website with just one touch.

Get It Today.

Call us at (828) 322-1667 and talk to June Starnes at extension 1231 or email her at jstarnes@omsdrs.com. She'll deliver your Smart Button, install it and show you how easy it is to refer your patients.
